The parties hereto freely and voluntarily enter into the following agreement:

1. Notwithstanding anything to the contrary set forth herein, the term "Camper" shall be further defined and interpreted to mean **no more than two adults and their unmarried under 18-year-old dependent children.**
2. A "Camping Unit" is defined as a **RVIA Approved Recreational Vehicle.**
  - a. All Camping Units which are 10 years old or older must be pre-approved by Campground Management prior to moving same onto Campsite.
  - b. It is strictly prohibited that any Camping Unit 10 years or older be situated upon the Campsite without Managements approval. Any Camping Unit which becomes 10 years old during the term of this Agreement may not be sold while situated at the Campsite but must be removed from the Campsite and the Campground (defined below) at the end of the term of this Agreement unless Camper has written consent from campground management.
3. "Site" or "Campsite", as used herein, specifically refers to the Site Number referenced on page 1.
4. "Campground" shall mean Red Barn Campground, LLC, located at the Property Address on page 1.
5. **Not A Lease. This Agreement is a contract which is binding on both the Campground and the Camper. This Agreement is not a lease of real estate. The Camper is not a tenant. This Agreement is, for legal purposes, a license to use the property of the Campground on the conditions which are stated in this Agreement.**
6. **Term**
  - a. Campground does hereby allow Camper Admission to Site during the term referenced on Page 1 for no more than a 6-month continuous time period between April 15 and October 15 (weather permitting).
  - b. Camper must notify Campground 90 days prior to Agreement expiration if they have no intention of renewing Agreement.
  - c. Upon expiration or termination of this Agreement, Camper shall quietly and peacefully return the site to as good a condition as it was upon commencement of this Agreement, ordinary wear and tear excepted.
  - d. On or before the expiration or termination of this Agreement, Camper shall remove any and all of its personal property from the Campsite including the Camping Unit. If Camper shall fail to timely remove from the Campsite any and all of its personal property, Campground shall have the right to remove said personal property from the Campsite, with a lien upon said personal property for the actual and reasonable costs of removal and costs of storage which shall be not less than \$20.00 per day. Campground shall not be liable for any damage incurred in moving said personal property and camping unit, nor for the safekeeping of same.
  - e. **Holdover.** If Camper remains in possession of the Campsite after the expiration or termination of this Agreement with the written consent of Campground but without executing a new agreement, Camper shall be deemed a month-to-month camper. The Camper is responsible for and agrees to pay the then existing Monthly Admission Fee (defined below) per month, in advance, during such month-to-month admission. Such month-to-month admission may be terminated by either party, effective as of the end of any calendar month, by twenty-eight (28) days' written notice to the other. This provision does not waive any other right of the campground under this Agreement, at law or in equity.
  - f. If Camper requires the assistance of the Campground in moving Camper's Camping Unit and/or other personal property (ie: decks, sheds, etc), such service will be provided at the convenience of the Campground, without assuming any responsibility for any damage to the Camping Unit and/or other personal property, at a rate of \$50.00 per hour (one hour minimum). The right to use such areas and facilities may be discontinued at any time in Management's sole discretion. Camper, in making use of such facilities and areas, does so at his own risk.
12. By order of the Public Health Sanitation Division and the Department of Health and Family Services, all gray or discharge water coming out of a Camper's unit must go into a transfer tank. ## Safety

1. Safety is the Park's #1 priority. Do not sit or stand on fences or railings and observe all signs that are posted around the facility and pond. Lack of common sense is not an excuse for not following safety precautions.
2. Fireworks and firearms are prohibited at all times.
3. Any person whose conduct is offensive or disorderly to other campers, residents, park personnel or Management, will be required to leave the premise or be restricted to their campsite. Management will determine "offensive conduct" as each instance arises, and Management's decision will be final. If Management's decision is not followed, local authorities will be contacted and will have the right to issue a ticket/warning to the person(s) not cooperating. The person(s) may also be banned from the Campground, which is private property.
4. Management has the right to terminate admission in order to protect other campers and Management from unruly campers and their visitors/invitees. Campers are ultimately responsible for their actions as well as those of their child(ren), visitors and/or invitees.
5. We reserve the right to restrict children to their site if their behavior or actions are unacceptable.
6. You will follow all state, county and federal laws. Authorities will be contacted to investigate any suspected drugs or illegal acts. If law enforcement is called to a site more than 2 times for domestic disturbance or unruly behavior, the Park has the ability to not renew the Seasonal Admission Fee Agreement, depending on the severity of reports.

1. Everything located on the CAMPSITE must be capable of being moved out of the Floodplain with 72' hours advance notice. No posts, anchors, or piles may be placed in the ground.
2. When the CAMPGROUND learns that a Flood Warning has been issued for the CAMPSITE, the CAMPGROUND will notify the CAMPER to relocate the CAMPING UNIT to an area outside the Floodplain which is designated by the CAMPGROUND.
3. If the CAMPER does not relocate the CAMPING UNIT within 48 hours of the time notice is given by the CAMPGROUND, the CAMPGROUND may relocate the CAMPING UNIT. CAMPER shall provide a key to the CAMPING UNIT so that CAMPGROUND may enter the CAMPING UNIT to make emergency preparations to relocate the CAMPING UNIT.
